

ApEx 2012, The Nephrology Board Review Course

The Hyatt Regency, Sahar Airport, Mumbai 400 099, India.

April 27 through April 29, 2012

Friday, April 27 2012

11am – 12 noon Registration and Lunch

12 to 12.30pm Inauguration

12.30 – 1.30 pm Pathology of Transplant

Dr.Lorraine Racusen

1.30 -2.30pm

Pathology of Renal Allograft Dysfunction. Case based workshop

Dr.Lorraine Racusen.

2.30 – 3.15pm

HLA- Basics and Methods

Dr.Manish Gandhi

3.15 – 4.00pm

Recurrent and de novo disease after renal transplantation

Dr.Sundaram Hariharan

4.00 – 4.15pm Tea

4.15 – 5.00pm HLA and organ transplantation

Dr.Manish Gandhi

5.00 – 5.45pm

Long term transplant survival–current status & improvement strategies

Dr.Hariharan Sundaram

5.45 – 6.45pm

Types of Kidney Stones and their Pathogenesis

Dr.Jack Kleinman

6.45 – 7.30pm

Treatment of IgA Nephropathy

Dr.John Feehally

7.30 – 8.30pm

Types of Kidney Stones and their Management

Dr.Jack Kleinman

Saturday, April 28 2012

7.30 - 8.15am Renal Amyloidosis

Dr.John Feehally

8.15 - 9.15am

Metabolic Alkalosis

Dr.Norbert Lamiere

9.15 – 10.00am

Treatment of Thrombotic Microangiopathy

Dr.John Feehally

10 – 10.15am Tea break

10.15 - 11.15am Interpretation of Urinary Electrolytes in Electrolyte & Acid-Base Disorders

Dr.Jack Kleinman

11.15 - 12.15pm

Hypokalemia

Dr.Norbert Lamiere

12.15 – 1.15pm

Disorders of Osmolality

Dr.Jack Kleinman

1.15-2.00pm Lunch Break

2.00 - 3.00pm

New insights into the pathogenesis of metabolic bone disease

Dr.Eberhard Ritz

3.00 – 3.45pm Hemodialysis Adequacy
Dr. Norbert Lamiere

3.45 – 4.00pm Tea Break

4.00 - 5.00pm Diabetic Nephropathy: Pathogenesis and management in the predialysis phase
Dr.Eberhard Ritz

5.00 – 5.45pm Treatment of Renal Vasculitis
Dr.John Feehally

5.45 – 6.30pm Podocytopathies: Pathogenesis and Treatment
William Couser

6.30 – 7.30pm Pathology of Tubulointerstitial disease
Dr.Lorraine Racusen

7.30 -8.30pm Case studies in acute tubulointerstitial disease
Dr.Lorraine Racusen

Sunday 29 April 2012

7.00 – 7.45am AKI in Pregnancy
Dr.Ravi Thadani

7.45 – 8.45am Management of Calcium phosphate metabolism in CKD
Dr.Eberhard Ritz

8.45 – 9.45am Pregnancy and Hypertension.
Dr.Ravi Thadani

9.45 - 10.45am Diabetic Nephropathy: Hemodialysis and Transplantation
Dr.Eberhard Ritz

10.45 - 11.30am Postinfectious Glomerulonephritis
Dr.William Couser

11.30 – 11.45am Tea Break

11.45 – 12.30pm BKV infection after renal transplant - clinical and translational research
Dr.Hariharan Sundaram

12.30 – 1.15pm Role of Plasmapheresis in Transplantation
Dr.Manish Gandhi

1.15 – 2.00pm Lunch

2.00 – 2.45pm Renovascular Hypertension
Dr.Norbert Lamiere

2.45 – 3.30pm Anti GBM disease
Dr.William Couser

3.30 – 4.30pm Pathology of Nephrotic Syndrome
Dr.Lorraine Racusen

4.30 – 5.30pm Nephrotic syndrome – Case based workshop
Dr.Lorraine Racusen

ApEx 2012, Renal Pathology: Case based Teaching

The Hyatt Regency, Sahar Airport, Mumbai 400 099, India.

April 26, 2012

Thursday, April 26 2012

7 am - 8am

Registration

8am - 9am

Nephrotic Syndrome
Dr. Sanjeev Sethi

9.00 - 11am

Nephritic Syndrome, including MPGN
Dr. Sanjeev Sethi

11.00 – 11.30am

Tea

11.30 - 12.30 pm

Rapidly progressive GN, asymptomatic hematuria/proteinuria, ESRD
Dr. Sanjeev Sethi

12. 30- 1.00

Question/Answers

1.00 – 2.00pm

Lunch

2.00 – 3.00pm

Dysproteinemias, including Amyloidosis: Diagnosis and newer methodologies
Dr. Sanjeev Sethi

3.00 – 4.00pm

Clinico Pathological Correlation
Dr. Vivekanand Jha, Dr. Sanjeev Sethi

4.00- 4.30pm

Tea

4.30 -6.00pm

Case discussions
Dr. Sanjeev Sethi

The Renal Biopsy forms the soul of the practice of Nephrology. The current program authoritatively carries all those delegates who maintain an interest in renal pathology, through the classic as well as not so classic, pathologic changes seen in various types of renal parenchymal diseases.

The curriculum for this course is dialogue based and renal pathology is expertly interwoven with clinical nephrology. The Q and A session and the CPC is designed to meet this objective.

Registration to this course is limited, to maximise audience participation and interaction.

Course Chairs

Sanjeev Sethi, MD

Associate Professor of Laboratory Medicine and Pathology,
College of Medicine.
Consultant, Department of Anatomic Pathology
Mayo Clinic, Rochester, Minnesota

Vivekanand Jha MD, DM

Professor of Nephrology and Coordinator Stem Cell Research Facility
PGIMER
Chandigarh
